

CONTRACT REVIEW POLICY

The Board recognizes that the Ohio Department of Education has identified adopting a policy regarding review and modification of Sponsor Contracts as a quality practice. The Board adopts this policy to be consistent with those quality practices.

Changes in Law

Annually, the District shall review changes in federal and state law to determine the need for modifying the Sponsor Contract. The Superintendent shall develop a procedure for completing said review.

Performance Measures

Annually, the District shall review school data and changes in Ohio's accountability system to determine the need for modifying its Sponsor Contract performance measures. The Superintendent is directed to develop a procedure for completing said review.
