

NEW PHILADELPHIA CITY SCHOOLS
PAY – TO – PARTICIPATE

A “Pay-to-Participate” Policy was approved by the New Philadelphia Board of Education beginning July 1, 2008. The following policy is in effect for co-curricular and extra-curricular activities at the middle school and high school level.

A cap of \$ 50.00 per high school student and \$ 25.00 per middle school student will be used (SEE SPECIAL NOTE BELOW).

The superintendent or superintendent’s designee will determine if there are insufficient numbers of participants to field a team or run an activity. Should the sport or activity not be continued, all fee money will be refunded within one month.

There will be no refunds for students who become academically ineligible, students who are suspended or removed for disciplinary reasons, students who experience illness or injuries, or students who quit for any reason after the activity begins or after a sport’s first official practice.

Payment to participate will not guarantee playing time, selection for special teams or positions, awards, or athletic letters.

All students who participate must pay the designated fees to participate until the cap is met. No fees will be waived. However, payments may be made as long as the full fee is paid by the dates listed. If there is a financial hardship concern, please contact the advisor or head coach of the activity/sport.

I have read and agree to abide by the above terms of the New Philadelphia City Schools’ Pay-to-Participate policy as stated.
