New Philadelphia CSD Board Temporary Procedure
Public Comment During Regular Board of Education Meetings

The New Philadelphia CSD Board of Education values its engagement with the community and believes that providing an opportunity for public comment during Regular Board Meetings supports that engagement and provides transparency. Though providing an opportunity for public comment is not a requirement, we would like to continue this practice even while meeting virtually. In the spirit of maintaining this opportunity for our public to participate in these virtual school board meetings, interested persons may submit written public comments via this form. The Board will collect the public participation information up to 1 hour prior to Regular Meetings for inclusion in the meeting.

When submitting your written public participation through the provided form, please keep your comments professional, refrain from using inappropriate language, and identifying individuals by name, including NPCSD staff or students. All comments submitted become a matter of public record and are subject to release under Ohio law and the federal Freedom of Information Act.

To ensure efficiency during this unique meeting held through video conferencing, all Public Participation Request Forms must be completed 1 hour prior to the start of Regular Board of Education Meetings.
