**New Philadelphia CSD Board Temporary Procedure
Public Comment During Regular Board of Education Meetings**

The New Philadelphia CSD Board of Education values its engagement with the community and believes that providing an opportunity for public comment during Regular Board Meetings supports that engagement and provides transparency. Though providing an opportunity for public comment is not a requirement, we would like to continue this practice even while meeting virtually. In the spirit of maintaining this opportunity for our public to participate in these virtual school board meetings, interested persons may [submit written public comments via this form](#). The Board will collect the public participation information up to 1 hour prior to Regular Meetings for inclusion in the meeting.

July 20, 2020, page 5

To ensure efficiency during this unique meeting held through video conferencing, all Public Participation Request Forms must be completed 2 hours prior to the start of the Regular Board of Education Meetings.

Anyone wishing to address the Board in person during the Public Participation portion of the meeting may request to attend in person. *Each person will be screened before entering the building, will be required to wear a mask or facial covering, and will need to practice social distancing in a separate area before entering the Board Meeting Room to address the Board. After addressing the Board, individuals will then need to exit the room and building so others may participate.* If you are interested in addressing the Board in person during Public Participation, please indicate your interest using the electronic submission form, and it will be confirmed accordingly. Public Participation is 30 minutes, so the *in-person attendance will be limited to the first six individuals* (acknowledging up to 5 minutes per person) who sign up via the electronic submission form. If all in-person requests are filled, you will be notified to provide you an opportunity to still participate [via written electronic submission](#).

All electronic submissions will be reviewed by the Board, and these will be shared at the meeting as time allows after the in-person public participation is completed.

When submitting your written public participation through the provided form, please keep your comments professional, refrain from using inappropriate language, and identifying individuals by name, including NPCSD staff or students. All comments submitted become a matter of public record and are subject to release under Ohio law and the federal Freedom of Information Act.

Please note: Based on the Open Meeting guidance provided by the State Attorney General's Office, the Board Meeting Room will be limited to 10 total people at any one time.
