New Philadelphia, OH. 44663

Materials Collection & Return

Dear Families,

I am very proud of how the community has come together through this difficult time. As always, Quaker Nation rises to any challenge as one.

Below is our plan to collect and return items from students. This plan was developed with the guidance and support of the Health Department. Please come during your designated times or during one of the make-up alternative times. We ask that you bring all library books, textbooks, Chromebooks & chargers, along with any other District property. We have carefully boxed your student's personal items and will return them at this time as well. If you owe school fees, you can pay them in person or go to the online payment center from the District's website.

- Families with more than one student in the building can come for all students in that building at one time. They are to come on the oldest child's assigned day.
- Please follow the date and time schedule below.
- We respectfully ask that you practice social distancing, limit the number of people with you, and wear a mask.
- Follow the signs and directions at each building for more details as to the path within each building you will follow to return and collect items.

	May 26th	May 27th	May 28th	May 29th
NPHS	Freshman	Sophomores	Juniors	Seniors & Make-Ups
WMS	8th Graders	7th Graders	6th Graders	Make-Ups
